Education Stations

There is six Education Stations. Each station has an information card that describes the activity and its' purpose. The items for the station can be found in the appropriate marked plastic container. Each rotation should last for 10 minutes. Do not rotate too early because this messes up the flow of the entire "OVERALL Rotation" of the program. Utilize stop watches found at the station.

Dental Education Station

Utilize the 3 dental puppets and large tooth brushes to show the children how to brush their teeth. Then let the children demonstrate what they learned by letting them utilize the toothbrushes and puppets.

Physical Stations:

Read TeamSmile information card provided at the station. Each card describes the activity and its' purpose. Each rotation should last for 10 minutes. Do not rotate too early because this messes up the flow of the entire "OVERALL Rotation" of the program. Utilize stop watches found at the station.
