

The 2022 calendar year saw TeamSmile conduct 25 programs, serve 4,498 children and provide over \$1.6 million in free dental care and oral health education. We enhanced our program equipment with 12 new dental stools, 12 new dental chairs, and three new sterilizers while enhancing our supplies and materials for our programs. We also received gifts-in-kind from Henry Schein, Henry Schein One, Colgate, A-dec, Aseptico, VOCO, Midmark, GOJO, Tivol and Ryan & Maria VanWinkle. We are grateful to all of those that have contributed to TeamSmile.

It's been an exciting year of growth for TeamSmile! We are very pleased to have added new programs with the Tucson Roadrunners and the Memphis Grizzlies, while also conducting first-time programs in Sacramento, CA and Missoula, MT.

We are very proud that all of our National Partners continued their partnerships during 2022. Specifically, Acteon, Colgate, DentaQuest, Dentsply Sirona, Henry Schein, Henry Schein One, Young Innovations, Primus Companies and Gojo/Purell have all continued their support and we are tremendously grateful.

Throughout this 2022 Annual Report, you'll see our statistical information and additional information from the 2022 calendar year. We are proud of our achievements in 2022, and on behalf of the children that we serve, we sincerely appreciate all of those that have helped us fulfill our Mission to provide children in need with a life-changing dental experience through the power of sports.

TeamSmile in 2022

"I'm honored to serve as Chair of the Board of Directors of TeamSmile. It is a privilege to work with such dedicated people focused on changing the lives of children through the power of sports. The national scope and breadth of our programs touches the lives of thousands of children, which in turn changes the lives of the children and their families and in turn their communities. TeamSmile continues to invest in the future to expand programming and education. We thank the dedicated staff and community of sponsors, volunteers, sport team organizations, students, teachers, partners, and advocates for creating a winning team for the children we all serve." - Frank Koranda, Chair of the Board of Directors of TeamSmile.

"2022 was a very rewarding year, as we navigated our way back into full operations after a very challenging time during the Covid era. We are so grateful to all of our volunteers, partners and teams that helped us to serve thousands of children through the TeamSmile model." - John McCarthy
Executive Director of TeamSmile.
