

To Provide Children in Need With a Life-Changing Dental Experience Through The Power of Sports

Continuing 2024 Strong

It has been an action-packed first quarter for us that we had to split our newsletter into two parts! TeamSmile has had a great time holding programs with the Kansas City Royals, New Orleans Saints, and Minnesota Twins. We are excited about our upcoming partnerships with the Buffalo Bills and Colorado Rockies in May.

With over 275 programs, TeamSmile has served more than 55,000 children and provided over \$20 million in free dental care and oral health education. The success of these programs is largely attributed to the dedicated volunteers who assist in providing crucial dental treatment, education, and an enjoyable experience. We would also like to thank our valued partners who make all this possible.

Check out our upcoming programs and volunteers today.

Meet Angela

"I've seen firsthand how the lack of dental care can harm confidence, careers, and overall health. Knowing everything we do each day will have a positive, lifelong impact on the children we serve is why I am excited to be a part of TeamSmile." - Angela, Development Director, TeamSmile

A Note from Lindsay:

I am so honored to be representing Team Smile for Dine & Dance with the Stars, 2024. This organization drew me in immediately because of the incredible impact they've had in just 16 short years. The gift of a healthy smile can change the trajectory of a child's life and I have been blown away by how many lives TeamSmile has positively affected."

Welcome To Our New Board Member Dr. Ed Shellard

"The mission hits close to my heart, particularly as a former practicing dentist. I know how essential oral health is to total

health — especially for children who often face barriers to getting the care they need. Through my board appointment, I'm looking forward to helping guide TeamSmile's efforts in providing children in need with life-changing dental experiences through the power of sports."

— Edward Shellard, DMD, president and CEO, United Concordia Dental
