

# TeamSmile®

To Provide Children in Need With a Life-Changing Dental Experience Through The Power of Sports

## Kicking off 2024 Strong

TeamSmile was off and running in 2024 as the team has held programs with the Kansas City Royals, New Orleans Saints, and Minnesota Twins so far.

Since its inception, TeamSmile has now conducted over 275 programs, served over 55,000 children, and provided over \$20 million in free dental care and oral health education. The success of these programs would not be possible without our committed volunteers who help us provide much-needed dental treatment, education, and a lasting and fun experience!

Along with these incredible volunteers, we can't neglect to thank our valued partners for making all this possible!

## Staff Spotlight

### Tim Burns

“We’re thrilled that Tim Burns has joined our team at TeamSmile. He’s been a wonderful addition, and it’s been great to see his work ethic, and his heart for

making a difference in the world through the TeamSmile model.”- John McCarthy, Executive Director, TeamSmile

Get to know  
Tim

“Being a part of TeamSmile means being part of a huge movement to promote better health for our younger generation. To have a place in these kids' lives, seeing the before and after, brings amazing joy to my heart!”

**Thank You to UMB for their generous end-of-year donation.**

**“We are so grateful to UMB. This contribution shows their commitment to making a positive difference in the communities that they serve. We’re so proud to be banking with UMB, and we’re thrilled with their generosity towards TeamSmile and the children that we serve.”**

## Partner Spotlight

Darby Dental Supply is one of the nation's leading distributors of dental supplies and solutions. As part of Darby's corporate social responsibility initiative, "Moving Forward, Giving Back," Darby is proud to support charitable organizations big and small. Darby is committed to making a positive impact on communities and local organizations, including Team Smile, and their mission to promote children's oral health.

"Darby Dental has been so generous to TeamSmile, and has continued to donate projects to our non-profit, without asking for anything. They want to help and use their platform as a force for good in our society. What an impressive group of people, and what an impressive company!" - John McCarthy, Executive Director, TeamSmile

Dentsply Sirona empowers millions of customers by proudly creating innovative solutions for healthy smiles. These values are what align TeamSmile and their great company together. "We are thrilled to announce that we've extended our partnership with Dentsply Sirona, and we've made it a multi-year agreement, for 2024 and 2025. Dentsply Sirona is the largest dental manufacturer in the world, and it's wonderful that they are supporting TeamSmile and the children that we serve. We are so grateful to Mihaela Chidean, Amy Kidd, and the whole team at Dentsply Sirona for their support." says TeamSmile Executive Director, John McCarthy.

"It is an honor for us at Dentsply Sirona to continue our partnership with TeamSmile to make the dental treatment fun for children while further increasing their access to care," said Erania Brackett, Senior Vice President of Orthodontic Aligner Solutions & Customer Experience and Head of Sustainability at Dentsply Sirona. "Oral health is essential for the whole body health, so providing children in need free dental care and oral health education is a gift for life to which we are immensely proud to contribute."

"In areas where economic hardship is at its highest, oral health care is often not seen as a priority in the spectrum of preventative health care needs," says John McCarthy, Executive Director for TeamSmile. "We are delighted that Dentsply Sirona continues to support our efforts to change this misconception, lending a hand not just financially but also through providing products and by volunteering work of Dentsply Sirona employees. Without partners like Dentsply Sirona, we could not offer such a broad range of dental care to children in need."

# Welcome Our New National Partner

## United Concordia Dental

For years, United Concordia Dental has been a generous supporter serving as the Presenting Partner for multiple clinics annually throughout the country. Recently, United Concordia has expanded and enhanced its partnership with TeamSmile to become a National Partner.

“At United Concordia Dental, we’re committed to making a difference in the health of the communities where we live, work, and do business. One way we’re doing this is by supporting organizations like TeamSmile that truly make a difference in underserved communities. Since 2016, United Concordia has partnered with TeamSmile to provide free dental care to thousands of disadvantaged children across the country. Our dollars have funded numerous dental clinics in several states, new dental equipment purchases, and some operational expenses. We’re proud to continue our partnership and make an even greater impact, helping more children in need get free oral health education, screenings, and treatment – an essential piece to keeping young mouths and bodies healthy, now and in the future.” – Edward Shellard, DMD, president and CEO, United Concordia Dental.
